## NEW SHOW-RITE® LAMB FEEDS

The NEW product line you've been waiting for, developed and tested by the industry's top **breeders and feeders!**

### NEWCO LAMB CREEP #56935

Highly palatable creep ration designed to maximize early muscle shape and expression in young sale lambs. Mini-pellet form to encourage early consumption and eliminate sorting. Formulated with Alltech technology to maintain gut health and integrity and to support overall performance.

### NEWCO TEXTURIZED LAMB CREEP # 57439

Highly palatable creep ration designed to maximize early muscle shape and expression in young sale lambs. Formulated with Alltech technology to maintain gut health and integrity and to support overall performance.

### NEWCO LAMB FEED D22.7 #57784

A complete feed specifically designed to maximize muscle development and provide an ideal handle while maintaining enough fat cover for an extra smooth finish.

### NOCO PROFESSIONAL CREEP #55684

A proven product from the Colorado market. Smaller particle size and high-palatability ingredients to encourage early consumption in sale lambs.

### NOCO LAMB GROWER #53258

Designed and formulated to provide a smooth look and fresh handle.

### TOP NOTCH SHEEP CONCENTRATE #53437

400–500 lb. inclusion base mix designed for the flexibility of custom rations with the Show-Rite advantage to achieve the desired protein level. Contains the following Alltech technologies: Sel-Plex®, Bioplex®, Integral® A+ and Lacto-Sacc® to support animal health and performance.

Show Feeds... Done Rite!

Formulated with

# LAMB ADDITIVES

**RITE-FACTOR**  
#36996

The most advanced, all-natural, drug-free technology on the market! Maximize muscle shape, improve handling and boost metabolism and immune response.

**ACCENT**  
#51920

Cutting-edge technology! Formulated with Alltech technology to maintain gut health and integrity and to support overall performance.

**MUSCLE-IN-MOTION**  
#5MNM

Improve muscle mass, muscle shape and water retention without the use of growth-promoting drugs.

**REFRESH**  
#29455

High-energy electrolyte for all classes of livestock. Formulated with Crave-It to increase consumption.

**SECOSORB**  
#40925

Drying agent for use during lambing or daily in stalls.

**STAMINA®**  
#5REX

100% wheat germ oil made from fresh high quality wheat germ. Stamina is derived from a unique cold process, preserving all of the valuable nutrients from the raw wheat germ. Top-dress 1-2 oz per day to add bloom and fat cover.
